Year 11 Mock 1 Assessments

Dear Families,

Firstly, I would like to thank you for your continued support in ensuring your child upholds our core values of resilience, integrity, and courtesy to ensure our school is a place where everyone feels welcome, and everyone succeeds.

We are approaching Mock 1 Assessments for Year 11. Students will complete assessments in all subjects and these will be held between **11 November and 20 November**. Assessments will take place in the sports hall under exam conditions.

At Dixons McMillan, we use assessment to make inferences about student progress and to ensure that all students receive the support they need. Teachers will analyse students' performance in these assessments in order to plan the most effective interventions in class. These GCSE mock exams are particularly important as grades may be required at interview or application for college, sixth form and other post-16 providers.

Students will receive their results in class, and you will receive a Cycle 1 Report in December with details of the grade achieved by your child.

Please can you help your child to prepare for these assessments by

- Providing them with a quiet space to revise
- Discussing their Mock 1 assessments with them
- Guiding them to use their revision material and 100% folders
- Talking to them about their concerns or fears.

Please see overleaf for the schedule of exams and the topics they will cover.

We would like to wish all our students the very best of luck and continue to thank you for your ongoing support.

Yours faithfully,

Lydia Gayle
Assistant Vice Principal
