Year 9 Cycle 1 Assessments

Dear Families,

Firstly, I would like to thank you for your continued support in ensuring your child upholds our core values of resilience, integrity, and courtesy to ensure our school is a place where everyone feels welcome, and everyone succeeds.

We are approaching Cycle 1 Assessments for Year 9. Students will complete assessments in all subjects and these will be held between **14 October and 18 October.** Assessments will take place in classrooms this cycle under exam conditions.

At Dixons McMillan, we use assessment to make inferences about student progress and to ensure that all students receive the support they need. Teachers will analyse students' performance in these assessments in order to plan the most effective interventions in class.

Students will receive their results in class, and you will receive a Cycle 1 Report in December with details of the percentage scored by your child, along with how this compares with the average year-group performance across the school.

Please can you help your child to prepare for these assessments by:

- Providing them with a quiet space to revise
- Discussing their Cycle 1 assessments with them
- Guiding them to use their revision material and 100% folders
- Talking to them about their concerns or fears.

Please see overleaf for the schedule of assessments and the topics they will cover.

We would like to wish all our students the very best of luck and continue to thank you for your ongoing support.

Yours faithfully,

Lydia Gayle

Assistant Vice Principal

- Your assessments will take place during week 8 (week commencing 14th October).
- Please familiarise yourself with your assessment timetable. Most assessments will take place in your usual classroom, at the normal lesson time.
- Only the classes listed will be sitting the assessment at that specific time.
- Highlight your class code to show you when you will be sitting each assessment.
